## Top 5 reasons to introduce your groups to Speedminton®:

- 1. Speed badminton can be played indoors and outdoors - on any surface!** Set up the game anywhere – from the gym to the grass, the blacktop to the dirt-field.
- 2. Adjustable court sets up fast and simple!** e.g. 3 minutes to set up courts for up to 50 players – because there is NO NET! Adjust the size of the court to the age of your students.
- 3. Equipment is durable!** High quality synthetic Speeders, specially for outdoor fun, and speed racquets of hardened aluminium are designed for durability.
- 4. This high energy game is great for any age and skill level!** Anyone can play! Beginners and younger kids can quickly acquire the skills needed to play using Fun Speeders. Match Speeders offer competitive play for advanced players.
- 5. It's fitness wrapped in FUN!** Kids of all ages love to play speed badminton. Everybody is involved at all time. No one has to watch or stay passive.
